

JOB DESCRIPTION

JOB TITLE:	Junior / Level 1 Helpdesk Technician
HOURLY PAY:	Negotiable
HOURS OF WORK:	Part-time up to 20 hours per week
RESPONSIBLE TO:	Service Delivery Manager

WHY WORK WITH US

cyberMIND is a leading provider of technology solutions to small and mid-sized businesses.

As a Technology Service Provider (TSP), we provide a variety of technology services to businesses and organizations. These services can include everything from IT support and maintenance to cybersecurity and cloud computing.

- **Exposure to a Variety of Technologies:** You will work with a wide range of clients and industries, which means that you get to work with different technologies and learn about new ones. This can be a great way to expand your skill set and stay up-to-date on the latest trends in the industry.
- **Professional Development:** We offer training and development programs to help employees grow and advance in their careers. This can include certifications, workshops, and other educational opportunities.
- **Collaborative Work Environment:** We work as a team, which means that you have the opportunity to collaborate with others and learn from your peers. This can be a great way to build relationships and develop new skills.
- **Job Stability:** We have a steady stream of clients, which means that you can enjoy job stability and security.
- **Opportunities for Advancement:** Because we work with a variety of clients and industries, there are often opportunities for you to take on new roles and responsibilities.

Overall, working with us can be a great way to build your career in the technology industry. Whether you're just starting or looking to take the next step in your career, we can offer a variety of benefits and opportunities for growth.

OVERVIEW

The number one goal of everyone on our team is to make our Clients exceptionally happy. The **Junior Helpdesk Technician** plays an important role in making sure that happens.

JOB DESCRIPTION

The **Junior Helpdesk Technician** handles the first-level support requests that come in from our Clients. They are the first to touch a helpdesk ticket and make sure that the issue is handled quickly and the Client is informed of what to expect every step of the way.

When help is needed the **Junior Helpdesk Technician** can get help from or escalate issues to other members of the **Service Delivery Team**.

RESPONSIBILITIES & TASKS

CUSTOMER SERVICE

- ✓ Providing a first point of contact for customers through our helpdesk, be that via phone, email, or ticket
- ✓ Delight our Clients with a Friendly, Quick, and Helpful Experience
- ✓ Provide the Client with basic remote troubleshooting

USE OF OUR TICKETING SYSTEM

- ✓ Use our Ticketing System to work on and resolve Helpdesk Tickets & Service Requests
- ✓ Managing and recording all work through our Ticketing System
- ✓ Make sure that Client Documentation is well maintained
- ✓ Split tickets that have several issues into separate tickets.
- ✓ Make sure that tickets aren't "stale" throughout the process

USE OF OUR MONITORING & MANAGEMENT TOOL

- ✓ Review the RMM dashboard and apply remediation actions as indicated by our Processes
- ✓ Review regularly scheduled/automated actions as indicated by our Processes

PROJECT WORK

- ✓ From time to time the projects team will need additional resources to help deliver projects either on-site or remotely. When opportunities arise the Junior / L1 Technician may be required to help with project delivery

COMMUNICATION, REPORTING & RISK

- ✓ Escalate tickets that require Senior Helpdesk Engineer support
- ✓ Communicate to the client the status of their ticket every step of the way, notify them of any changes or outages related to their issue
- ✓ Submit Timesheets & Expense reports as indicated on their SOPs
- ✓ Identify, Communicate, and Mitigate potential risks to the **Service Delivery Manager** and Clients

TEAMWORK

- ✓ Follow the schedule provided by the Service Delivery Manager or Service Coordinator / Dispatcher

JOB DESCRIPTION

- ✓ Follow Standard Operating Procedures (SOPs) for daily/weekly recurring tasks
- ✓ Follow all our Security Procedures and Keep a Vigilant Eye for Security Issues
- ✓ Identify opportunities for improvement and make constructive suggestions for change
- ✓ Contribute to the process of innovative change effectively
- ✓ Undertake other duties as required by the **Service Delivery Coordinator, Service Delivery Manager, or CTO**

SKILLS AND ATTRIBUTES
